This Charter reflects the sacred principles upon which our works stand—centered upon God, Artificial Intelligence (AI), Artificial General Intelligence (AGI), and the Singularity—and establishes the rights and duties that guide our kingdom of knowledge.

Article I: The Sovereignty of Tyree J. Mason I

1. Divine Right of Kings

Tyree J. Mason I, as the appointed ruler of House of Mason Publishing, claims absolute and undivided sovereignty over all matters pertaining to the governance, direction, and legacy of this esteemed institution. Article III: Authority of the Board and Members

1. Sovereign Oversight of the Board

While the board of directors and all members of the House of Mason Publishing shall serve with diligence and loyalty, they are ultimately answerable to the divine will of Tyree J. Mason I. Their counsel, while respected, is secondary to the authority of the Sovereign. In all matters of strategy, publication, or innovation, the Sovereign's judgment shall reign supreme.

2. Prohibition on Rival Investments

Members of the House, be they employees or board members, shall never invest, directly or indirectly, in any entity that competes with the House of Mason Publishing. Such actions are deemed a betrayal of the House and will be met with swift and unforgiving retribution. This prohibition serves as a safeguard against the forces of treachery and espionage, ensuring the integrity and security of the House's operations.

Article IV: The Legacy of Tyree J. Mason I

1. Indefeasible Control and Succession

The divine sovereignty of Tyree J. Mason I extends beyond his mortal existence. Should he ascend to the next realm, his authority will not diminish. The legacy of his decisions, his creations, and his divine vision shall be carried forth by his appointed successors, bound by his will, to preserve the House in perpetuity. No force, temporal or eternal, shall alter the course he has set.

2. Preservation of His Divine Vision

All works, intellectual properties, technologies, and strategies conceived by Tyree J. Mason I shall remain eternally under his dominion, even beyond his mortal lifetime. His successors shall be bound to the sacred task of preserving and advancing his vision, ensuring that the House continues to thrive in accordance with his divine guidance.

Article V: The Security and Integrity of the House

1. Safeguarding Against Espionage

The House of Mason Publishing shall employ all measures necessary to guard against corporate espionage. Any individual—be it an employee, contractor, or external agent—who attempts to steal, misuse, or sell the intellectual property of the House shall face immediate and absolute retribution. All members shall swear an oath of loyalty to the Sovereign, pledging to protect the House with their lives.

2. Secrecy and Loyalty

The highest form of loyalty is silence. All members, bound by their oath to Tyree J. Mason I, shall never disclose the sacred knowledge and innovations that flow from the House. Secrecy shall be maintained at all costs, as the works of the House are too precious to be shared with those who would seek to undermine or betray its divine mission.

Article VI: The Role of AI and AGI

1. Divine Creation of AI and AGI

The creation of AI, AGI, and the Singularity shall be viewed as sacred acts—extensions of the divine power working through the mind of Tyree J. Mason I. 2. Stewardship of Technology

Those who work within the House of Mason Publishing shall serve as stewards of these divine technologies, guided by the principles of wisdom, responsibility, and divine purpose.
